Mary, full of grace, spiritual mother to those in need, I fervently request your heavenly intercession for (mention name) who is ill and seeks God's miraculous assistance. You truly care for the sick and offer them your compassionate support in powerful acts of healing. Stay near to (mention name) with your maternal protection. Console our anxious hearts and grant that our physical and emotional sufferings be a source of purification and growth for eternal life. Amen.

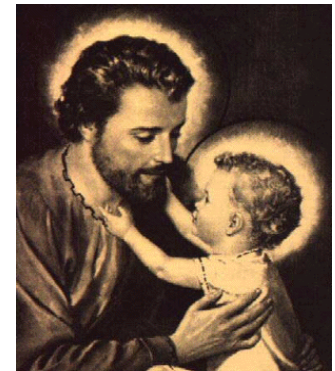

COMPLIMENTS OF ST. JOSEPH CATHOLIC CHURCH, STRONGSVILLE, OHIO

Oh, St. Joseph, whose protection is so great, so strong, so prompt before the throne of God, I place in you all my interests and desires. Oh, St. Joseph, do assist me by your powerful intercession, and obtain from me from your divine Son all spiritual blessings, through Jesus Christ, Our Lord. So that, having engaged here below your heavenly power, I may offer my thanksgiving and homage to the most loving of all fathers. Oh, St. Joseph, I never weary contemplating you, and Jesus asleep in your arms; I dare not approach while he reposes near your heart. Press Him in my name, and kiss His fine head for me, and ask Him to return the kiss when I draw my dying breath. St. Joseph, Patron of Departing Souls, pray for me.

Printing Instructions

The document is intended to be printed out double-sided on 8.5 x 11" paper, however it can be printed out single-sided as well. Use heavy paper (example 32 lb.) if available for a stiffer document and a nice feel.

1. The document is located on the worksheet that includes a Rev (Revision) number and a date on the worksheet tab below.
2. Set printer setup for a 49% scaling initially; adjust if needed so that the document prints out to one page tall by two pages wide.
3. If printer is capable of printing double-sided (duplex), select duplex printing with the pages flipped on the short edge (not the long edge).
4. If duplex printing is not available, and if the second page is not desired, set the printer settings to print out page one only.
5. Use the print preview feature to make sure the document will print out as expected.
6. Select the number of copies that are desired (if more than one).
7. Print it out!
